COMMON ORDER:

When these matters are taken up for hearing, the learned counsel for both the parties have drawn my attention to the common order in W.P.No.525 of 2001 and batch, dated 2.7.2007 wherein a Division Bench of this Court having gone through the contentions put forth by the learned counsel and also pleadings, disposed of those matters with certain observations.

As these three writ petitions are squarely covered by the common order passed by the Division Bench of this Court, these matters are also disposed of without costs as unnecessary and infructuous without prejudice to the continuance of the *status-quo* obtaining as on today concerning the sale of power or its price as enabled by the order of interim suspension of the A.P. Electricity Regulatory Commission during the pendency of these proceedings and also by virtue of the provisions of the Electricity Act, 2003 and further without prejudice to any agreements entered into by any of the generators of the non-conventional energy with AP TRANSCO in the meantime.
